The PCC is registered with the Charity Commission (registered number 1132544).

### STRUCTURE, GOVERNANCE AND MANAGEMENT

The method of appointment of PCC members is set out in the Church Representation Rules. At St Michael's, the membership of the PCC consists of the incumbent, curate, churchwardens and members elected by those members of the congregation who are on the electoral roll of the church. All those who attend our services are encouraged to register on the Electoral Roll and stand for election to the PCC. The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding on how the funds of the PCC are to be spent.

Given its wide responsibilities the PCC has a number of committees, each of which deals with a particular aspect of parish life. During 2025 the PCC and Standing Committee met 12 times either in person or via email. PCC meetings include a report from the Treasurer and updates from the Safeguarding Officer, Fabric committee and Eco church team. Matters discussed at PCC meetings during the year included:

- Safeguarding, training, action plans, risk assessments and DBS checks
- Updating and implementing new Policies and Procedures
- Clintons Trust, support and funding
- Sevenhampton Church, maintenance, bell restoration project and services
- Church Finances, reviewing coding, budgeting and new accounting package
- Parish Share, Congregational Giving and using Parish Share Scheme

The PCC has responsibility for promoting within the parish of Highworth with Sevenhampton and Inglesham the whole mission of the Church - pastoral, evangelistic, social and ecumenical. The trustees consider that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Charity Commission and in particular the Commission's guidance in The Advancement of Religion for the Public Benefit; the trustees believe they have had regard to the duty in their administration of the PCC in ways including:

- Providing the opportunity for Christian Worship by the community of Highworth through the benefit of the church building and worship leadership.
- Providing both a building and the leadership for Baptisms, Weddings and Funerals for the whole community of Highworth,
- Providing both a building and the leadership for community thanksgiving occasions.

- Regular Children's Craft and Film days during school holidays.
- Providing a venue for town wide ecumenical events, such as Lent Lunches.

### **Fabric Committee**

The Incumbent has confirmed that the Registers are maintained in good order and the Church Plate is all present, and in good condition.

Since the last APCM, the Fabric Committee has met three times. A new Chair, John Costello, has been appointed, and the committee continues to be supported by members Colin Gunn, Don Leonard, Peter Croton and Julie Miles. Together, the group has been overseeing a range of maintenance and improvement matters relating to the church building and grounds.

Work has progressed on the South Transept roof, where an initial site visit was held with the first contractor on 29/08/2025. A quotation was produced based on the architect's drawings, which identified the need for additional leadwork across the whole transept due to disturbance and potential underlying issues. The resulting quote of £61,542 has been forwarded to the PCC, and, in accordance with procurement requirements, two further quotations were sought. One contractor declined to proceed, while a second contractor site visit is scheduled for 23/01/2026 and has been issued with the same drawings.

The committee has also been developing plans for the new flagpole and weathervane. The architect has produced detailed drawings including the gilded vane, compass points and copper sphere. Discussions have taken place with David Gregory of Cobalt Blacksmiths, who can fabricate the vane but will subcontract the copper globe. Drawings have been sent to David for pricing, and once a quotation is agreed the final weight can be assessed and shared with the pole supplier. Structural engineering input will be required due to height, weight and wind loading considerations.

The mobile communications installation in the Tower is ongoing with contracts to be signed soon.

Additional matters include intermittent faults in the churchyard lighting, repairs to damaged glass, vegetation removal near the Church Rooms to prevent root damage, and the organisation of general maintenance days on 14th and 28th February to check gutters, drainage and minor fabric issues.

### **Stewardship Committee**

Whilst the committee has not met over 2025, the PCC have discussed stewardship throughout the year to ensure stewardship remains at the heart of Church life. We continue to find meeting our financial responsibilities and potential projects challenging, while at the same time so many of us giving very sacrificially of our time, gifts and resources.

### **Safe from Harm Committee**

This committee monitors the appointment of people to roles within the church involving children, young people and vulnerable adults. The committee reports to the PCC on matters relating to the Safe from Harm guidelines and the Vulnerable Adults guidelines.

### **Standing Committee of PCC**

The standing committee usually communicate by email when the PCC is not planning to meet to ensure business was kept up to date and progressing as needed.

### **Church Hall**

The Church Hall is now managed by the Parish Administrators with any issues being referred to the PCC for a decision.

Following the PCC decision to dispose of the building given the cost of refurbishing it or replacing it would be prohibitive, and the church does not currently have any need for building, solicitors Stone King and estate agents Strakers have been appointed to undertake the process. The PCC continue to work with the Diocesan Board of Finance as the legal title holders of the building.

### SUPPORT FOR OTHER ORGANISATIONS

Support for others is very much a part of church life, and during the year St Michael's has been involved in a wide range of support for other organisations, working both for church and secular purposes, in local, national, and international organisations. ## Trustees' Annual Report

Year ended 31 December 2025

### FINANCIAL REVIEW

The full details of our income and expenditure can be found in the Financial Report. Our Structured Giving, either by monthly banker's order or by the weekly/monthly envelopes scheme, combined with the Gift Aid claim continues to be our major source of income. Clinton's Gift continues to support the church. The PCC is fully committed to ensuring we make a fair contribution towards the Parish Share which is paid to the Diocese. These funds are used for supporting ministry, education and outreach, and other areas such as Parish support services and retired clergy. Information about finance is reported at PCC meetings. The PCC have not been able to meet its Parish Share contribution, being £33,000 below the requested amount. This is, in part, due to monthly giving reducing over the last few years and rising costs. The PCC will not be in a position to make up the shortfall in 2026. The PCC wishes to express its thanks to everyone who has contributed in any way to the ministry and mission of St Michael's.

### Donations Received

Donations have been received during the year from Clinton's Gift towards Youth work, Parish Administration support and maintenance of the church. Clintons Gift is a charity whose primary aim is to further the religious and other charitable work in the parish of Highworth by repairing and maintaining the church.

Clintons Gift support 50% of the costs of youth costs as well as a 20% contribution towards the cost of Parish Administration. Planned giving is received for Christians Against Poverty (CAP) and Youth and Schools work. Donations have also been received for RBL Poppy Appeal, Gloucester House, Christian Aid / Disasters Emergency Committee (DEC) and Boxes of Hope.

### Reserves Policy

The PCC reserves policy is to maintain quarterly budgeted income against quarterly budgeted expenditure in the current account which requires quarterly income of £43,000 excluding support from Clintons Gift. Each year funds are transferred from the current account to the PCC Fabric, Legacies and Parish Mission account and allocated to Church floodlighting, church room and the Youth Project.

### THE FUTURE

Plans for 2026/27

- Co-ordinating and enhancing our communications both in print, electronic and social media will continue.
- Continued development of the preachers and leaders team through regular meetings for prayer and discussion of teaching themes.
- Employing a full time youth worker to help:
  - our outreach in to Warneford school, looking after the pastoral and spiritual needs of teenagers in the fall out of the Pandemic.
  - Re-envision our current youth club,
  - Start a community youth club to provide a safe and welcoming space for teenagers.
- Continue to support the CAP debt centre.
- Seeking the right way forward to grow our relationships outside of current services, especially for occasional services contacts.
- Continuing the Saturday morning drop ins for community involvement in the life of St Michael's, which is proving successful in developing relationships outside of services.
- Ensure a crèche is provided each Sunday service.
- Continued integration of the three parishes for services and events where possible.

### **RESPONSIBILITIES OF THE PCC MEMBERS**

The PCC members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the PCC members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the PCC members are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

## **Independent Examiner's Report to the Trustees of THE PAROCHIAL CHURCH COUNCIL OF ST MICHAEL AND ALL ANGELS, HIGHWORTH WITH SEVENHAMPTON AND INGLESHAM**

**Year ended 31 December 2025**

I report to the trustees on my examination of the financial statements of THE PAROCHIAL CHURCH COUNCIL OF ST MICHAEL AND ALL ANGELS, HIGHWORTH WITH SEVENHAMPTON AND INGLESHAM ('the charity') for the year ended 31 December 2025.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 December 2025

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is .

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### FUNDS

Endowment funds (which are investments) are funds, the capital of which must be maintained; only income arising from the endowment may be used either as restricted or unrestricted funds depending upon the purpose for which the fund was established.

Restricted funds represent (a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest, and (b) donations or grants received for a specific object or invited by the PCC for a specific object. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund. The PCC does not usually invest separately for each fund. Where there is no separate investment, interest is apportioned to individual funds on an average balance basis only if a material sum is involved.

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purpose of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

## Notes to the Financial Statements *(continued)*

### Year ended 31 December 2025

#### 3. Accounting policies *(continued)*

##### INCOMING RESOURCES

###### Voluntary income

Collections are recognised when received by or on behalf of the PCC. Planned giving receivable under Gift Aid is recognised only when received. Income tax recoverable on Gift Aid donations is recognised when the income is recognised. Grants and legacies for the general purposes of the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the PCC is reasonably certain.

Fund raising income is accounted for gross except for non material amounts of expenditure which are deducted from income.

###### Other income

Rental income from the letting of church premises is recognised when the rental is due.

###### Income from investments

Dividends are accounted for when due and payable. Interest entitlements are accounted for as they accrue. Tax recoverable on such income is recognised in the same accounting year.

###### Gains and losses on investments

Realised gains or losses are recognised when investments are sold. Unrealised gains or losses are accounted for on revaluation of investments at 31 December.

##### RESOURCES USED

###### Charitable activities

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

The diocesan parish share is accounted for when due. Any parish share unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the Balance Sheet.

Year ended 31 December 2025

### 3. Accounting policies *(continued)*

#### FIXED ASSETS

##### Consecrated property and movable church furnishings

Consecrated and benefice property is not included in the accounts in accordance with s.96(2)(a) of the Charities Act 1993.

Movable church furnishings held by the Vicar and Churchwardens on special trust for the PCC, and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected at any reasonable time. For anything acquired prior to 2001 there is insufficient cost information available and therefore such assets are not valued in the accounts. Items acquired since 1 January 2001 will be capitalised and depreciated in the accounts over their anticipated useful economic life

All expenditure incurred in the year on consecrated or beneficed buildings, individual items under £1,000 or on the repair of movable church furnishings acquired before 1 January 2001 is written off.

##### Other fixtures, fittings and office equipment

Equipment used within the church premises is depreciated on a straight line basis over 5 years.

Individual items of equipment with a purchase price of £1,000 or less are written off when the asset is acquired.

#### INVESTMENTS

Investments are valued at market value at 31 December.

#### CURRENT ASSETS

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectible.

Short-term deposits include cash held on deposit either with the CBF Church of England funds or at the bank.

## Notes to the Financial Statements *(continued)*

### Year ended 31 December 2025

#### 3. Accounting policies *(continued)*

##### Going concern

There are no material uncertainties about the charity's ability to continue.

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

# THE PAROCHIAL CHURCH COUNCIL OF ST MICHAEL AND ALL ANGELS, HIGHWORTH WITH SEVENHAMPTON AND INGLESAM

## Notes to the Financial Statements *(continued)*

### Year ended 31 December 2025

#### 3. Accounting policies *(continued)*

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	-	5 to 10 years
-----------	---	---------------

##### Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

#### 3. Accounting policies *(continued)*

##### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.
