

DEEPENING DISCIPLESHIP

PRELIMINARY QUESTIONNAIRE

REV. PHIL GOODEY

WELCOME

Dear Friend

This course in Lent 2025 is an examination of what it means to be a disciple of Christ today. It is an opportunity for both self-reflection on where you are spiritually, and a toolkit to help you identify what you need to do — or maybe stop doing — in order to grow as a Christian. Many of us have acquired various spiritual habits and disciplines over the years, some of which remain helpful, and some of which we might have outgrown.

Questionnaire

This is part of the preparation for our course, and the questionnaire is a way for you to look objectively at your Christian discipleship, to identify what areas might need to be addressed, and to listen to God's Spirit as to where he wants you to be moving forward.

Remember: This is yours and no one will see it other than you, and you might want to refer to it when you talk about the weekly sessions with your partner.

How will it work?

It starts with the idea that 'We are all part of the body of Christ,' but often our faith is seen as private and individual. So in order to address that, I am asking you to find a partner to work with as we move through this course together. It can be someone you know well or someone you'd like to get to know; all that matters is that you are able to trust one another and feel comfortable sharing your thoughts.

Come along to each weekly session with your course partner and arrange to meet up each week for an hour or so to discuss where you are with the course, (Is it helpful, challenging, upsetting, not what you thought...)

In the book of Proverbs (Ch27 v17) it states, 'As iron sharpens iron, so one person sharpens another.' With God's grace both you and your course partner will support, encourage, and challenge one another as we all seek God together.

Acts 10:47-48
